LA MANSIÓN DE LOS SUEÑOS

*A 12 suites boutique hotel, located in **Pátzcuaro, Michoacán***

The revival of a 17th-century home in the artisan town of Pátzcuaro was the longtime ambition of owner Priscilla Madsen. Aptly named for that fulfillment, Mansión de los Sueños, (the house of dreams), located a short walk from the main plaza, now stands proudly as a reminder of the splendor, deeply imprinted by indigenous and colonial cultures, which this city has known in other eras.

Local craftsmen have respected architectural details in the restoration of the beam and "tejamanil" ceilings, extensive masonry, adobe walls and a superb iron fountain. Three neo-classic-styled stone balconies announce the hotel invitingly to arriving guests.
